TECHNICAL LETTER OF INFORMATION

Ford Mondeo 4-d 93-

I botten av A- och B-stolparna finns skumgummiblock. I framdörrarna finns två isoleringsmattor. Skumgummiblocken och isoleringsmattorna går ej att ta bort. Här ska behandlas rikligt. I bakskärmarna just framför baklyktorna finns isoleringsmattor. Dessa mattor skall avmonteras före behandlingen samt återmonteras efteråt. Man når dessa efter avmontering av sidopanelen. Skumgummiblocken och isoleringsmattorna är markerade TLI.
